Our guiding organizational values are rooted in Jewish tradition and inform how we deliver our mission. These values have universal resonance in the Jewish community and beyond—we welcome everyone to participate in the programming we offer.

Kindness (Chesed) - We treat each other with respect and help each other out. We give back to the community and help to take care of the places we call home. Kindness makes Camp Kef a place where everyone feels safe and happy.

Community (Kehillah) - At Camp Kef we welcome all individuals and make new friends. We are inclusive and treat others how we want to be treated. Together we make camp feel like a second home.

Curiosity (Sakranut) - Camp is a safe place for an adventure. We encourage campers and each other to explore, try new things, and discover new passions.

Spirit (Ruach) - Camp Kef is full of spirit. We cheer each other on, celebrate our uniqueness, and bring positive energy and good sportsmanship every day.
